No. 4.—The following resolution of the Government of India is republished :—

HOME DEPARTMENT.

POLITICAL.

Delhi, the 13th December 1914.

No. 2831-2864.—In supersession of the orders contained in the Resolution of the Government of India in the Home Department, No. 2831-2842, dated the 8th December 1892, the Governor General in Council is pleased to issue the following instructions with regard to certificates of identity.

2. Every native of India who contemplates proceeding out of India to foreign countries is strongly urged before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the district (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a student the certificate should be signed by the head of his last school or college and countersigned by the District Officer (in a Presidency Town and in the town of Rangoon, the Commissioner of Police) or Political Officer as the case may be.

Appeals for assistance by destitute Indians who desire repatriation and by students who, owing to embarrassed circumstances, are unable to complete their course of education cannot be dealt with satisfactorily unless the parties are in a position to produce evidence of identity. The possession of a certificate of identity will be specially useful to young men of good family, as it may enable the Secretary of State to obtain for them social and other attentions.

Those who are desirous, however, of travelling in countries where a passport will be necessary are advised to furnish themselves with such a document also before leaving India, in lieu of, or in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject, and the production before authorities outside India of a certificate of identity, unless supplemented by documentary evidence of respectability, is not sufficient to ensure that a passport will be granted.

2. Father's name and caste _____

3. Residence _____

4. Age of applicant _____

5. Nationality of applicant * _____

6. Social or pecuniary status of father (or guardian) _____

7. Date of probable departure of applicant from India _____

8. Object of applicant's visit to England (Europe) _____

* I.e., whether a British subject by birth or by naturalisation (or a subject of a Native State).

† Countersignature of the District or Political Officer should be obtained on certificates signed by heads of schools or colleges.

NOTE.—Holders of certificates of identity intending to apply subsequently in England or elsewhere for a passport to visit a foreign country are warned that no person is entitled to a passport as of right on the sole ground that he is a British subject. The production of a certificate of identity, therefore, will not ordinarily be sufficient to secure the grant of a passport, unless it is supplemented by documentary evidence of respectability, endorsed by a local Government or other authority competent to issue passports in India, certifying that the holder is a fit and proper person to receive a passport.

Fort St. George, April 2, 1921.

No. 7.—Under section 9 of the Code of Criminal Procedure, 1898, the Governor in Council directs the establishment of an Additional Sessions Judge's Court for the Kistna Sessions division from the date of opening till the 7th May 1921, both days inclusive, and that it shall hold its sittings at Masulipatam.

2. Under section 193 of the same Code, the Governor in Council further directs that the Additional Sessions Judge shall try such cases as may be transferred to him by the Sessions Judge, Kistna.

No. 197.—Under sub section (1) of section 5 and section 59 of the Madras Elementary Education Act, 1920, the Government (Ministry of Education) propose to frame the following rules for the conduct of elections of Presidents of District Educational Councils ; any objections or suggestions in respect of these rules will be considered if received before the 5th May 1921 :—

DRAFT RULES FOR THE ELECTION OF PRESIDENTS OF DISTRICT EDUCATIONAL COUNCILS.

I. A candidate for the office of President must be proposed by one member and seconded by another. The names of all the candidates proposed and seconded shall be read out by the presiding member.

II. (1) If there is only one duly nominated candidate there shall be no ballot and he shall be deemed to have been elected.

(2) If there are two or more candidates the votes of the members present at the meeting shall be taken.

III. Every member wishing to vote shall be supplied with a slip of paper. He shall forthwith proceed to the place set apart for the purpose and there write on the slip so supplied the name of the candidate for whom he wishes to vote. He shall then fold up the slip so as to

conceal his vote and deposit the same in a ballot box placed in the view of the presiding member and so constructed that the paper may be placed therein but not extracted therefrom without the box being opened. The presiding member shall then open the box and count the votes in the presence of the members and declare the result of the election in accordance with the following instructions :—

(i) If there are only two candidates, the one who secures the larger number of votes shall be considered to have been elected.

(ii) If there are more than two candidates the one who obtains the fewest votes shall be eliminated and the votes taken again. If there is an equality of votes among all the candidates or if two or more candidates lowest on the list have obtained an equal number of votes, the member presiding shall ascertain by casting lots in the presence of the members which of them shall be eliminated. The elimination shall be repeated until two candidates only are left when votes shall be taken for the last time and the candidate who secures the larger number of votes shall be considered to have been elected. In the event of there being an equality of votes at the final stage between the two remaining candidates, the presiding member shall ascertain by casting lots in the presence of the members which of the two shall be considered to have been elected.

IV. No candidate whose name has been proposed and seconded shall take part in a ballot, but a candidate may withdraw at any stage and after so withdrawing he may take part in any ballot. Similarly a candidate who has been eliminated at any stage under rule III (ii) may take part in any ballot at subsequent stages.

V. Any voting paper which contains the signature of any of the voting members or on which more than one name is entered shall be invalid.

VI. Immediately after the meeting the presiding member shall forward the name of the person elected as President to the Government.

VII. (1) The presiding member shall then seal up the ballot papers whether counted or rejected and note on each packet the number of papers it contains and the election to which it relates.

(2) These packets shall not be opened and their contents shall not be inspected or produced except under the orders of Government.

(3) The packets shall be retained in safe custody in the office of the District Educational Council for a year and shall then, unless otherwise directed by the orders of Government, be destroyed.

VIII. The validity of any election may be contested by a petition signed by at least three members of the District Educational Council by which the election was held, and, not otherwise, provided that such petition shall reach Government within eight days from the date of the election and shall allege specific grounds for setting aside the election on account of material irregularity in the conducting thereof or for other sufficient cause. The Government may order an inquiry thereon by any officer they nominate if they consider it necessary to do so.

IX. On the receipt of the report under rule VI and after the perusal of the petition if any presented under rule VIII or the report of inquiry if any ordered under rule VIII, the Government shall pass such orders as they may think fit provided no such orders are passed within nine days after the receipt of the report under rule VI and all such orders shall be final.

Candidates in type-writing will have to bring their own type-writers also and the necessary carbon paper with them and must specify clearly on their answer papers the particular kind of machine used by them or, otherwise, their answer papers will not be valued.

SALE OF NUX VOMICA.

THE sale notification regarding nux vomica published by the District Forest Officer, North Vellore, in the *Fort St. George Gazette*, dated 15th March 1921, at pages 688 and 689 of Part II, is hereby cancelled.

E. K. KRISHNAN,
District Forest Officer, North Vellore.

24th March 1921.

NOTICE REGARDING THE LEASE OF NUX VOMICA SEEDS IN THE SEVERAL DISTRICTS OF THIS PRESIDENCY.

THE right to collect nux vomica seeds in 30 forest divisions of the Presidency will be sold in public auction for the three years commencing from 1st July 1921 on the dates, at the places specified in the annexed statement, subject to the conditions stated below.

The sales will generally cover all Government Forest lands except in agency tracts and will be held for each Forest Division as one unit.

2. No person will be allowed to bid at the auction unless he has previously deposited a sum of Rs. 100 as earnest money or has deposited a sum of Rs. 5,000 in a Government Bank or Treasury to

cover all the sales, when he should produce the receipt at each sale. Except in the case of recognized firms of some standing, every person who has furnished the above deposit should further produce a certificate as to his solvency duly signed by the Tahsildar or Deputy Tahsildar within whose jurisdiction such person usually resides or owns properties before any sale can be confirmed to his name. No person will be allowed to bid for another or for himself and others unless he holds a power of attorney duly executed in his favour authorising him to bid on behalf of such other person. The deposits of all unsuccessful bidders will be returned to them soon after the sales are over, while that of the successful bidder will be retained.

4. All sales are subject to the confirmation by the Conservator of the Circle who reserves to himself the right of rejecting any bid without assigning any reasons for so doing.

5. The sale list shall be signed by the highest bidder of every lease immediately after the sale is knocked down in his name, and a certificate should also be appended thereto by him to the effect that he has read and understood the terms of the sale notice and that he agrees to abide by them.

6. If the total amount of the bids for any one Circle is Rs. 5,000 or below, the full amount will have to be credited to Government immediately after the receipt of the order confirming the sale. If the amount of the bid exceeds this limit, it may be remitted in instalments to be arranged. The deposit money referred to in paragraph 2 supra will be credited towards the first instalment.

7. A security deposit not exceeding 25 per cent of the total amount of the lease may be required to be deposited before any collection of seeds is permitted. A duly stamped agreement shall also be executed by every successful bidder within 14 days from the date of receipt by him of the order sanctioning the sale in the prescribed form which can be seen at Forest Range, Division or Circle office during office hours. Unless and until the security deposit is furnished and the agreement executed as above, no contractor will be allowed to commence work in respect of the contract. The security deposit may be in Post Office Savings Bank or in Government promissory-notes.

8. In case the successful bidder of any lease fails to furnish the security deposit or to execute the agreement referred to in paragraph 6 above, such lease will be resold at the risk and loss of such bidder who will not only forfeit any deposits already furnished by him but will also be liable for the loss, if any, occurring by the resale. He will not, however, be entitled to the profit, if any, that may result from the resale. Any removal of produce by the contractor or his men or agent before the execution of agreement will be treated as an offence punishable under the Forest Act.

9. Interest at 6½ per cent will be collected on all overdue payments, part of a month being reckoned as a whole month.

10. Intending bidders may obtain at any time any further particulars regarding the sales at the District Forest office concerned.

11. The following are the important conditions, among others, subject to which agreements must be executed by the successful contractors:—

(a) That the contractor shall not claim any compensation for land granted on patta or for any other purposes during the currency of the lease.

(b) Government reserve the right to early burn any part or all of the area in reserved Forest covered by the lease whenever it is found necessary to do so as a preventive against fires, and no compensation will be granted for any loss sustained by the lessee through such early burning.

12. Intending contractors are advised that a licence will probably have to be procured under the Indian Poisons Act XII of 1919 before collection starts.
